Web Announcement 2563

## **Attention Provider Type 58 (Home and Community Based Waiver for Persons with Physical Disabilities): Update Regarding Rate Restorations**

Update to [Web Announcement 2502](#) and [Web Announcement 2430](#): As providers were previously notified, the 6% rate reductions mandated by Assembly Bill 3 of the 31st 2020 Special Session of the Nevada State Legislature due to the COVID-19 pandemic have been canceled.

On August 16, 2021, the previous rates are being restored in the Medicaid Management Information System (MMIS) for provider type (PT) 58 (Home and Community Based Waiver for Persons with Physical Disabilities) and will be effective on claims with dates of service on or after July 1, 2021.

Claims submitted by PT 58 with dates of service on or after July 1, 2021, through August 16, 2021, that processed on or before August 17, 2021, and paid the 6% reduced rate will be automatically reprocessed to pay the current rate. A future web announcement will notify providers when the claims are reprocessed.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
